Honorable Ed Smith
P.O. Box 203003
Helena, MT 59620-3003

Dear Justices Honorable Smith,

I am writing today to express my opposition to the proposed rule change 8.4(g).

We as Americans have the freedom to burn our American flag, We have the freedom to practice religion, and We also have the right to express our opinions, this is a vital part of our constitution.

To take this basic freedoms away from our lawyer by putting into law that they can not express their opinions or beliefs, is not only a

violation of our constitution. but it set a dangerous law into place

of censorship in a profession that should of all professions guard and honor the rights of our citizens in Montana.

I am Strongly against this proposed rule, I find it a dangerous law that takes away basic rights.
